

A heart that slowly pulls you in
A heart that slowly pulls you out
A heart that slowly pulls you up
A heart that slowly pulls you down
A heart that slowly pulls you around

that slowly pulls you in
that slowly pulls you out
that slowly pulls you up
that slowly pulls you down

A heart that slowly pulls you in
A heart that slowly pulls you out
A heart that slowly pulls you up
A heart that slowly pulls you down

A heart that slowly pulls you in
A heart that slowly pulls you out
A heart that slowly pulls you up
A heart that slowly pulls you down
