Hoy Hoy
A butter
Fly in
My home.
It trouble
my cat
And my frog ??
It has a lot of colors,
Orange, blue, green,
red, black, fushia,
yellow, pink, purple
and others.
But,
It melts a lot
Upon arrival it was Big ;
After it was smaller ;
After it was smaller ;
After it was smaller ;
After it was smaller ;
After it was smaller ;
After it was smaller ;
After it was smaller ;
After it was smaller ;
After it was smaller ;
Very very smaller.
In the end i saw the
Butter fly no longer flying
I think it was dead,
The butter didn't be here
But i saw a wasp fly away.
It has two colors :
Black and yellow. In
my home, it trouble
My frog My cat,
And want to Fly In
Outside to smell,
eat, drink, and
live in his
home
