

The gap between that's not here, the way that just ignores you, no reason  
to forgive too easily, don't need your liking...  
The bear that it forget, the strange feeling, the gap between that's not here, the way that just ignores you, no reason  
to forgive too easily, don't need your liking...  
The bear that it forget, the strange feeling, the gap between that's not here, the way that just ignores you, no reason  
to forgive too easily, don't need your liking...
